### Opis produktu

Legendary high-performance mic cable CMK 222 is especially tailored to be used in the studio and on stage. Its formula for success: a 28 x 0.10 mm highly pure copper (OFC) strand design with a core cross-section of 0.22 mm<sup>2</sup> and a robust PVC jacket preventing adverse external effects and interferences.

The cable is easily reelable, allows a neat, trim layout without entangling and withstands the strain of LIVE performances without problems. It is the perfect solution for LIVE performers and PA companies.

Available in black colour.

Price per 1 m.
